

# Foothills Farmers' Market SNAP/EBT and Debit Participation Agreement

I, \_\_\_\_\_, as the representative of \_\_\_\_\_  
Farm/Company, agree to the following:

- I will participate in SNAP/EBT and Debit transactions at Foothills Farmer Market (FFM).
- I will accept SNAP/EBT tokens for eligible items only and not give any change. I will try to package items in quantities that are fair and easy for the customer to purchase.
- I will accept SNAP/EBT tokens from SNAP/EBT customers only. (Accepting or purchasing SNAP/EBT tokens from other vendors is considered trafficking and is illegal.)
- I will accept Debit tokens for any items and give the appropriate change.
- I will only accept tokens purchased at Foothills Farmers Market to be redeemed by Foothills Farmers' Market.
- I will turn in my tokens at the end of each market day and be reimbursed by check. (If you have 1 or 2 tokens please redeem the following week. If you sell at FFM on several days, please redeem all of your tokens on one day.)
- I realize that participating with the SNAP/EBT and DEBIT program of FFM is a privilege provided to increase my sales as well as make healthy and local foods available to all populations. If I do not abide by the guidelines provided, I may lose my privilege to participate with the token system or could be denied participation in the Foothills Farmers' Market.
